3. Information
<p>Persons who import goods into Norway are obliged to have a personal ID-number that is used by the customs clearance system TVINN.</p> <p>A person can apply to the Customs Service for a TRK number if they do not have a Norwegian social security number or D-number. A D-number is a temporary ID number. You can read more about D-number at the Tax Administration (skatteetaten.no).</p> <p>In order for the Customs Service's case processing to go faster, the application form must be completely filled out and all necessary documents must be attached. Use one application form per. person.</p>

2. Applicant acceptance of receiving the TRK-number by e-mail (Must be filled in)
<input type="checkbox"/> Yes <input type="checkbox"/> No
If accept is not given, the reply will be given by digital postbox or sent by mail due to GDPR restrictions. Digital postbox requires an access role to the company's role in Altinn.

I am aware of Norwegian laws that states it is illegal to present information and documents that are known as incorrect or fake.	
Date	Name of applicant / applicant's representative / freight forwarder
