

# **MOVEMENT CERTIFICATE EUR.1**

## **Printing instructions**

The certificate shall be printed in English or French. The notes on the reverse of the certificate may be printed in a language other than English or French.

Each form shall measure 210 x 297 mm. A tolerance of up to plus 5 mm in length is allowed. The paper used must be white, sized for writing, not containing mechanical pulp and weighing not less than 25 g/m<sup>2</sup>. It shall have a printed green guilloche pattern background making any falsification by mechanical or chemical means apparent to the eye.

The competent authorities may print the certificates themselves or may have them printed by approved printers. In the latter case each movement certificate EUR.1 must include a reference to such reference to the approval. Each certificate must bear the name and address of the printer or a mark by which the printer can be identified. It shall also bear a serial number, printed or not, by which it can be identified.

The certificate shall be completed in English or French.

A specimen of this certificate of origin is not included in this publication. The proof of origin may be obtained upon enquiry to the Customs Authorities.
