TOLLETATEN

Altinn:
Create new form based on previous submissions

You can reuse previously submitted applications to fill in a new application. This is beneficial when you need to:

- change existing application
- add more intellectual property rights to existing application
- extend existing decisions

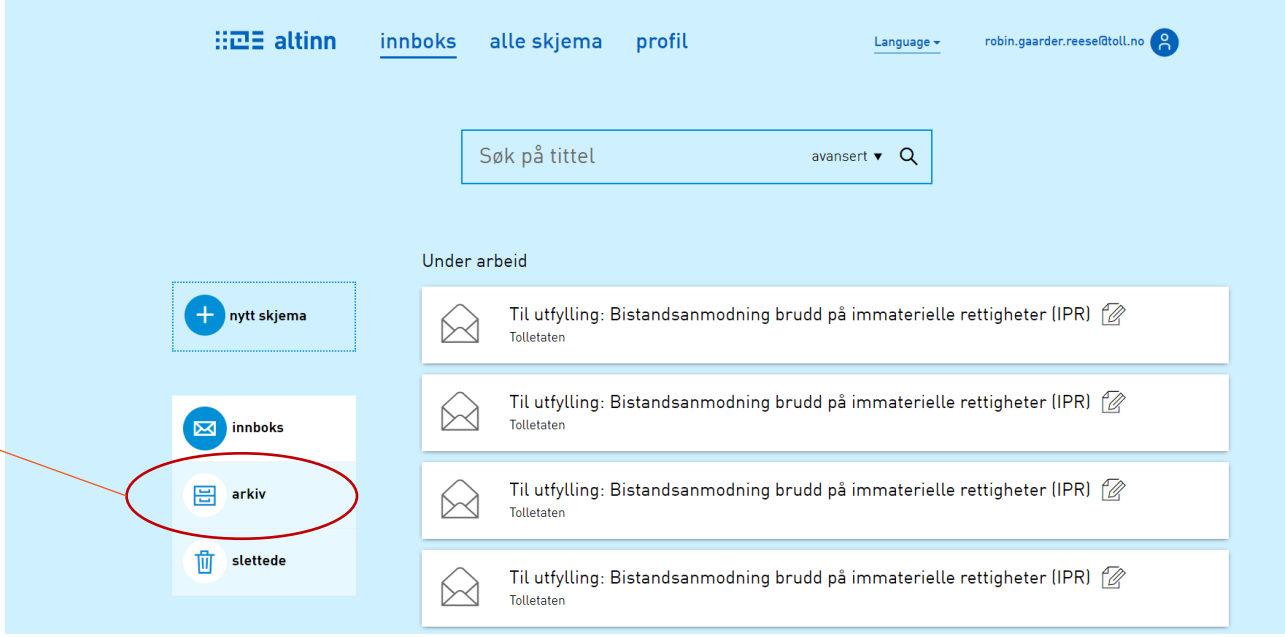
Follow these instructions to reuse an application. Start the process on your Altinn main page.

TOLLETATEN

Step 1:

- Click «arkiv»

  (Archive)



TOLLETATEN

Step 2:

- Find the form you previously submitted and open it.
