

Log in to Altinn: For users <u>without</u> national identity number or D-number

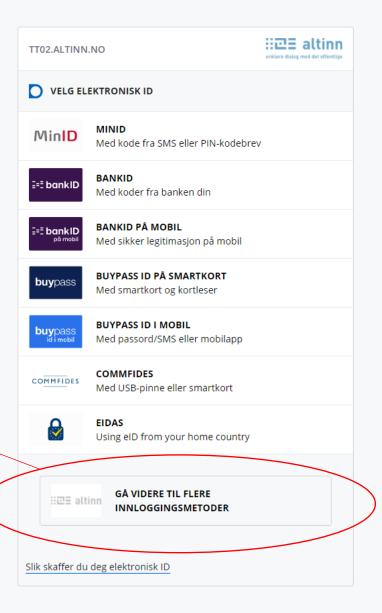

Log in to Altinn: For users without national identity number or D-number

If you do not have a norwegian national identity number or D-number, you have to create a new user in Altinn. Follow these instructions to create a new user.

Applications are saved on the user account you create. Make sure to keep your username and password safe and unaccesible so unautorized persons do not get access to your applications.

 Choose «GÅ VIDERE TIL FLERE INNLOGGINGSMETODER»
 (More login options)

 Choose «Innlogging uten fødselsnummer/D-nummer»

(Login without norwegian national identity number/ D-number)

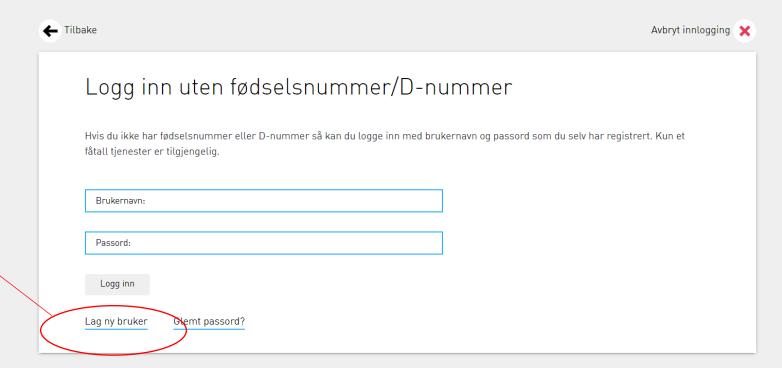

- If you are not registered as a user:
 - Choose «Lag ny bruker» (Create new user)

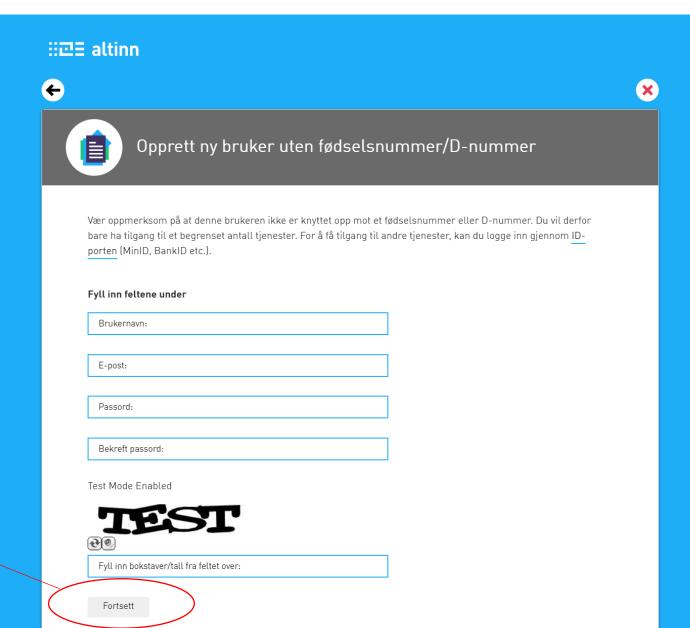

Language -

Trenger du hjelp til å logge inn? Les mer om innloggingsmetoder i Altinn og innlogging uten fødselsnummer her.

- Fill in the form
- Applications will be linked to the email adress provided here. We recommend that you use a company email, e.g. <u>post@company.dk</u>. Avoid the use of personal emails.
- Click «fortsett»
 - (next)

 Log in with your new username and password to access the service.
